Christmas '22

# Hello!

I'm Laurie (no-my-last-name-isn't-really) Boring a makeup artist and designer living and working in Melbourne's western suburbs and I love your dog.

My pet portraits are designed to capture the heart and personality of your best friend. Pet portraits are by no means limited to dogs, let the record reflect that I also love cats, goats, rabbits, and all of your furry, feathered (or scaly) friends.
